**CLINTONIA**

In dedicating our annual, we have chosen one of the most devoted faculty members at C.C.H.S. She has shown genuine and sympathetic interest in every student she has taught during her 13 years as English instructor at Clinton. For her outstanding service for our class during the past two years as our English teacher, our Senior Class sponsor, and the director of our approaching Senior Play, we, the graduating class of 1960, dedicate our annual to our beloved and understanding Mrs. Rhoades.

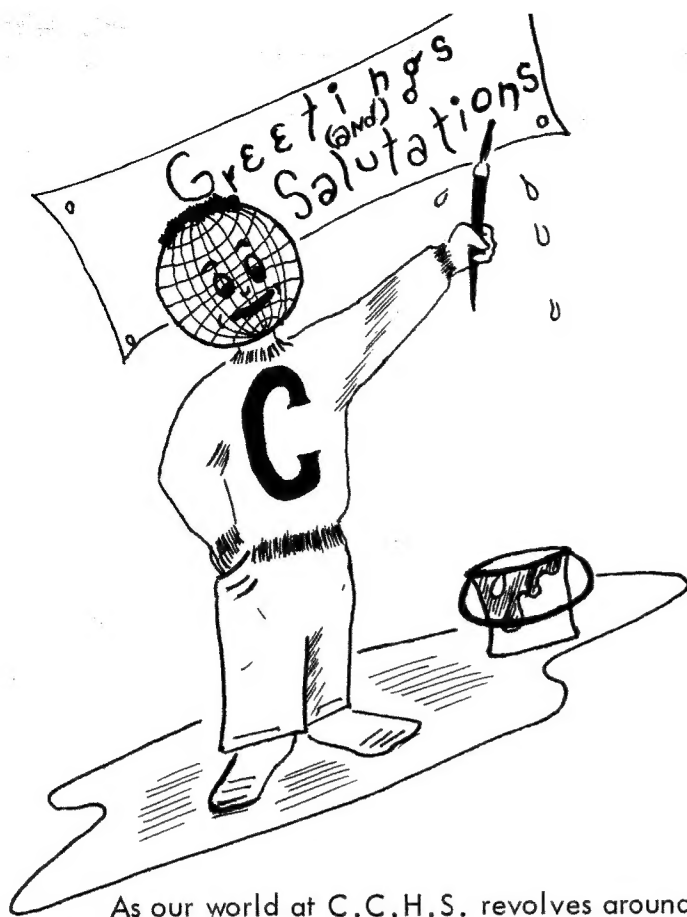

August 28

Dear Diary:  
When I woke up just now, I realized that my  
lazy days were over. School time again!  
Another year of fun, excitement, and work  
is about to begin. There will be old friendships  
to renew and new ones to make. There will be  
dances and banquets, Homecoming, the  
Christmas Vesper Service, the spring contests,  
and the Junior and Senior plays. There will be  
sports: football, basketball, baseball, track--  
all the excitement of winning and the disap-  
pointment of losing (but not too often we hope!)  
Last but not least will come graduation.  
For some it will be the last year at C.C.H.S.  
For others it is the starting of a new school  
life, "High School Daze!"  
May they enjoy them as much as we---  
Oh-oh here comes the school bus!!!!!!!!!!!!!!

## **"Around Our World in 1960"**

As our world at C.C.H.S. revolves around in this vast universe, many things affect and attribute to our search for the Star of Knowledge. Today, our scientific world plays a very important part in our lives, with the development of atomic energy, space rockets, guided missiles, and man-made satellites. These new phases of aeronautics promote curiosity in the scientific field and induce many students to enter that profession.

The political world around us influences and encourages our democratic procedures. With the coming elections, our students will have a chance to see these democratic procedures in action.

The economic and industrial progress of this modern world, with its new ways and means for manufacturing and distributing products contributes to the choice of vocation of our students.

We are proud to live in a country that provides free education for its citizens, and we appreciate the effort put forth by everyone to give us the best possible training.

We have taken a look at the world around us; now let us take a look "Around Our World" at C.C.H.S. With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1960 Clintonia Staff that, as you glance through this book in the years to come, you will recapture those moments—and the echoes will begin again.

So pause with us now to have a look "Around our World in 1960."

# Homecoming

The excitement of the Homecoming started with a snake dance and a bonfire the night before the game. With the Homecoming Parade the next afternoon, everyone was ready to cheer the team on to victory. Although we lost to Normal, the evening was still a success with the crowning of Queen Ellen.

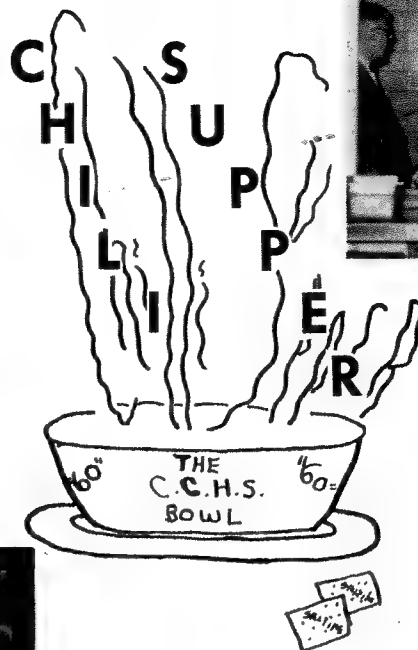

It was a "rrealy big shooo."

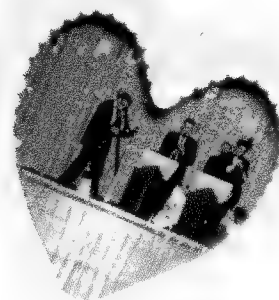

The girls win again! As a result of the girls selling more magazines, the boys cooked a delicious chili supper for the girls. The girls helped furnish the food, but the boys did all the preparing and serving. After second and third helpings, all the seniors sat down to a very entertaining program put on by some of the seniors.

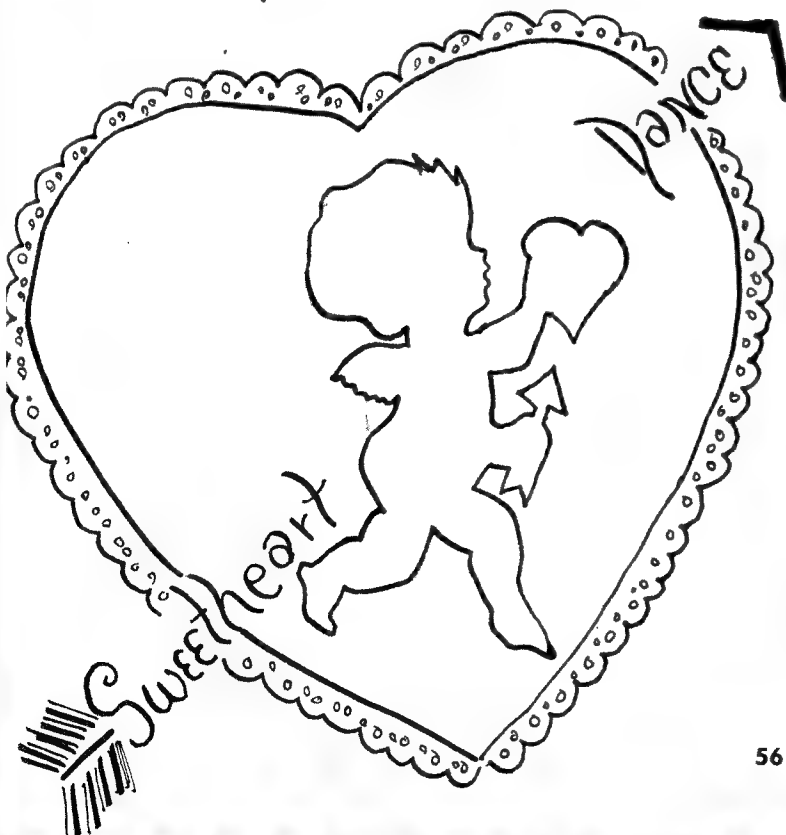

Hey you! Wait your turn.

I could have danced all night!

"The Playboys"

"Dance with me Henry"

The Sweetheart Dance is an annual affair sponsored by the F.H.A. in the month of February. The boys nominate their favorite sweethearts and in return the girls ask their favorite beaux to the dance. The Class Sweetheart is elected by her class and is not revealed until the night of the dance.
